ABOUT SPARQ

Sparq designs and manufactures next generation single-phase microinverters for residential and commercial solar electric applications. Sparq has developed a proprietary PV solution called the Quad; the Quad inverter optimizes four PV modules with a single microinverter, simplifying design and installation, and lowering cost for solar power installations when compared to existing market offerings. Sparq's head office is located at 945 Princess Street, Kingston, Ontario, K7L 0E9.

Neither the TSXV nor its regulation services provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release.
